

**Joint Legislative Reception
Thursday, May 20, 2010**

**MI-AWWA and MWEA members to host our
State Legislators at a reception in the State Capitol.**

**Please join us for this annual opportunity to sit down
with legislative staff. Leadership in Lansing is ever-
changing and the need to re-introduce our
professional organizations to them is constant!**

**We strive to be the groups Lansing turns to when
seeking advice about important issues related to our
water environment, the Great Lakes, and the reliability
of safe drinking water.**

**Please volunteer to chat with a specific legislative
member during breakfast.**

**Check out the state web sites to learn more about who's-who
in this year's legislature.**

State House: <http://house.michigan.gov/>

State Senate: <http://senate.michigan.gov/>

**For more information, go to your association web
pages (<http://www.mi-wea.org/> and [http://www.mi-
water.org](http://www.mi-water.org/)). **Also watch your own e-mail, or contact:****
