

House Bill 6307

David Ver Hoef

Michigan Water Environment Association

2009 Administrators Workshop

Frankenmuth

PA 503'08

- Signed by Governor on January 12, 2009 as PA 503'08.
- Mandates that all dentists install Amalgam Separators by December 31, 2013.
- Exempts Oral and Maxillofacial surgeons and radiologists, Oral Pathologists, Orthodontists, Periodontists and those working in a dental school, hospital or local health department.

PA 503'08 (cont)

- Within 90 days of the effective date, the Health Department and MDEQ shall promulgate rules regarding best management practice for amalgam collection, disposal and recycling and the retention and inspection of dental office records.

PA 503'08 (cont)

- Local units of government may not enact any ordinance, rule or regulation that imposes conflicting, different, or additional standards on dentists.
- Local units of government may enact, adopt, maintain, amend, or enforce rules that require implementation of the requirements before December 31, 2013.

PA 503'08 (cont)
