FALL 2019 BASIC TRAINING

DATES & LOCATIONS CLASS INFORMATION REGISTRATION

INCLUDES:
A & B EXAM PREP
C & D EXAM PREP
INFORMATION

The MWEA Basic Training Classes were developed to offer training to employees who are new to the industry or looking to continue their education in the wastewater industry.

Classes are conducted by a single instructor with typically only 15-20 students per class.

For a detailed description of each class, visit:
www.mi-wea.org/basic_training

Are you taking the Michigan Class D, C, B or A Wastewater Operator Certification Exam this fall? MWEA offers an exam prep class to assist YOU in preparing for the exam.

You will receive a study guide that provides an overview of the major treatment processes and related operational, laboratory and management principles and procedures. Multiple Dates and Locations to choose from! Includes continental breakfast and lunch!

A & B (material covered over 2 days):

- October 1 & 2- Grand Rapids (\$160 for 2 days)
- October 9 & 10 - Bath (\$160 for 2 days)
- October 22 & 23 - Linden (\$160 for 2 days)

C & D (material covered over 2 days):

- October 2 & 3- Linden (\$160 for 2 days)
- October 9 & 10 - N. Kent (\$160 for 2 days)
- October 15 & 16 - Kalamazoo (\$160 for 2 days)
- October 23 & 24 - Wixom (\$160 for 2 days)
- October 31 & Nov 1 - Escanaba (\$160 for 2 days)

For Exam Prep registration please go online:
WWW.MI-WEA.ORG

WRRT Credential Program

The Water Resource Recovery Technician (WRRT) Credential Program is intended to recognize a person's commitment to professionalism, continual improvement and ability to finish a long term task. **This does NOT replace EGLE Certification.** It is a separate acknowledgement of the completion of a training program consisting of top-notch materials and instructors.
