

**Presented By:**

**Attention K-12 Teachers!**

Apply now for your chance to win a

**\$1,000 grant!**

These grants are for teachers interested in creating and implementing **water-related** activities in their classrooms. **Two \$1,000 grants will be awarded each grant cycle.**

The funds are intended to assist teachers with developing hands-on methods that engage and educate students about water resources. Emphasis is placed on activities that will be incorporated year after year.

The grants are coordinated by the Youth Education Committee and offered by the American Water Works Association – Michigan Section and the Michigan Water Environment Association.

**Grant Application**

Please provide the following in your grant application: (application also available online via the MWEA website – [www.mi-wea.org](http://www.mi-wea.org))

**Cover Page:**

School and Teacher Name, School Address, Phone, & Fax, and Teacher Email Address

**Narrative (Limit Three Pages) must include the following:**

Objective/ Summary/ Budget/Timeline/Method for continuation of program

**\*\*Funding will not be awarded for transportation expenses.\*\***

We value your time, so please make the applications as simple as possible. Do not include letters of support unless they directly relate to in-kind support you will receive as part of this project. Please do not include extra covers or bindings. Mail application form, or e-mail to:
